## ABOUT

Monuvo is a serif typeface with flowing strokes, open apertures and art-nouveau flair.

Looking at the Monuvo font, we recognize in it the characteristic smooth lines, floral ornaments, sharp ovals and geometric shapes inherent in Art Nouveau and Art Nouveau – hence the name. Monuvo's idea is to popularize styles in art, as well as the contrast of strict and smooth forms.

The font will work in the premium segment, namely in real estate, jewelry, restaurant business, packaging of premium products and beverages.
